Dear Dr. Bigger,

This is to indicate my intention to develop a proposal for an SC2 grant. After reading through the all of the SCORE options, it looks to me as though that would be the best fit. I have not been awarded a grant as PI, and since the line of research that I will be proposing is in the pilot stage, the SC2 seems to be the best fit.

I will be basing an R21 application that I sent to the National Institute on Aging. That proposal was reviewed but not scored. I have begun to make changes to the proposal based on the "pink sheets" and on the advice of a co-I that I recruited for a potential re-submission.

Below, I have listed my history of pending, current and past research funding. As you can see, I am applying for a small grant as PI., but that I have never been PI on a research grant, nor have I previously received funding from NIH for research.

Pending Research Support

Project Title

Older Latinos and HIV: Provider Perspectives

Role

Principal Investigator

Source

John A. Hartford Foundation

Period of Award

September 2008-September 2010

Award Amount

\$100,000

Current Research Support:

Project Title

Testing A Model of Domestic Abuse Against Older Women and Barriers to Help Seeking

Role

Co-Investigator

Source

Institute of Justice (2006-WG-BX-0008)

Period of Award

Fall 2006-Fall 2008

Award Amount

\$469,590

Research Support History:

Project Title

Domestic Violence Against Older Women

Role

Co-principal Investigator

Source

National Institute of Justice (NIJ # 2002-WG-BX-0010)

Period of Award

Fall 2002-Fall 2004

Award Amount

\$337,973

Project Title

Consumer-Operated Human Service Programs

Role

Co-Investigator

Source

SAMHSA grant #: SM52332-01

Period of Award

Spring 1998-Fall 2002

Award Amount

\$2,639,957

Project Title

Haitian Juvenile Arrestees Prevention Intervention

Role

Pending Research Support
